FOLDABLE DESIGN

## Product Description

### Foldable Work Bench Workstation Heavy-Duty Steel Frame With Ruler Protractor

#### About this item

- **PORTABLE AND FOLDABLE:** Our work bench can be folded up when not in use to save your space. And it is lightweight, easy to transport.
- **MADE TO LAST:** Solid steel frame and premium MDF board are built to last, which can hold up to 100kg and the supporting round rods at the bottom add additional stability.
- **PRACTICLE DESIGN:** Tabletop is printed with ruler and protractor to facilitate your work and multiple slots on the frame for storing your screwdriver, vise and other tools.
- **MULTI-PURPOSE:** Its feature set and reliability make it ideal for carpenters, woodworkers, DIY enthusiasts, home mechanics, and anyone looking for home shop assistance.
- **DIMENSIONS:** Overall Dimension: 100L x 60W x 75.5Hcm, Weight Capacity: 100kg;

#### Safety & Security

We're providing our customers with safer products in better quality. Anti-slip feet with anti-toppling device, delicate surface

process and rounded corner design make our products more reliable.

### Nice-looking

We work hard to create popular, chic, and innovative items that can pass the test of time and help you live better. With stability, comfort in mind, our products will be your best choice.

### Convenience within Reach

We strive to deliver convenience to every person and every family through our space-saving design, multi-functional style and extraordinary appearance. And it's just our first step.

### Versatile Use

We create simple but unique designs to make our furniture blend perfectly with your home environment whether it's from your kitchen to your dining room, or from your bedroom to your living room.

## MULTIPLE SLOTS

For storing your screwdriver, vise and other tools
